**Dear Barclay Neighbor,**

For over 20 years, the Barclay Farm Civic Association Directory has become an essential part of Barclay households. And as always, it will be delivered to every household in Barclay Farm—free of charge!

Barclay has always prided itself on its sense of community. A directory strengthens the ties among residents. You can use it to:

- Contact your childrens' playmates
- Determine the name of the blue house on the corner
- Find a local service provider
- And more!

The centerfold map is invaluable, especially for new residents.

However, the Directory is only useful if it is accurate. By returning the enclosed postcard (or utilizing the new QR Code method), you will assist us in making sure your listing is correct.

Thank you for your help. We know you'll be pleased with the result.
